PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 09/15/2017.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

2	<u>Standard Condition # 20:</u> You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.
---	---

Supporting Evidence: This officer met with Mr. Martinez on September 22, 2015, and reviewed and signed the conditions of supervision established from the revocation Judgement and Sentence.

Mr. Martinez missed his random urinalysis tests on October 16 and 26, 2017. He reported to the probation office on October 31, 2017, to make up one of the random urinalysis tests and it was presumptive positive for cocaine. The sample was confirmed positive by laboratory analysis for Benzoylcegonin-cocaine metabolite on November 4, 2017.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: November 30, 2017
